

SPECIAL INSPECTOR (Mechanical)

For Smoke Control

Rev. 12-18-2014

I, _____ have been retained by _____, the owner of the property referenced below, to perform Special Inspector services pursuant to the Florida Building Code, Section 909.18.8, at the project located at _____, on the structures listed below, commencing on _____, 20___. I am a registered Professional Mechanical Engineer licensed in the State of Florida.

Permit Number: _____

FBC- Building 909.18.8.3, Reports. A complete report of testing shall be prepared by the Special Inspection agency. The report shall include identification of all devices by manufacturer, nameplate data, design values, measured values and identification tag or mark.

FBC- Building 909.18.8.3.1, Report Filing. A copy of the final report shall be filed with the Building Official and an identical copy shall be maintained in an approved location at the building.

I (we) understand that a Special Inspector inspection log for each building must be displayed in a convenient location on the site for reference by the City of Miami Building department Inspector. All mandatory inspections, as required by the Florida Building Code, must be performed by the City. **Inspections performed by the Special Inspector hired by the Owner are in addition to the mandatory inspections performed by the Department.**

Further, upon completion of the work under the building permit, I will submit to the Engineer of Record at the time of final inspection the completed inspection logs and a sealed statement indicating that, to the best of my knowledge, belief and professional judgment those portions of the project outlined above meet the intent of the FBC, and are in substantial accordance with the approved plans.
